FOREWORD

FROM THE PRESIDENT

Welcome to the Willetton Premier Cricket Club Sponsorship Prospectus – Season 2025/26

Willetton Premier Cricket Club (WPCC) proudly stands as one of Western Australia's most historic and respected cricket institutions. Founded in 1889 as the West Perth Cricket Club and a foundation member of the state's cricket competition, our legacy began at the iconic WACA Ground. While our home is now at Burrendah Reserve in Willetton, we continue to honour our proud heritage through the initials WPCC – symbolising our past, our present, and our vision for the future.

Today, WPCC is a thriving club that fields five senior men's teams, four junior teams, and a growing social masters team — all competing within the WACA Premier Cricket competition. We are a club of champions, with a strong record of senior and junior premierships, club championships, and a reputation for developing elite talent. Our current stars include Australian and state representatives D'Arcy Short, Cameron Bancroft, and Aaron Hardie, while our junior program continues to produce players in WA's junior state and academy squads.

We are immensely proud of our community and the loyal partners who have supported us over the years. Our commercial partnerships are more than sponsorships — they are collaborations built on shared values, mutual benefit, and a commitment to community development. Through targeted club member engagement, social media promotion, and branding opportunities, our sponsors gain valuable exposure while contributing to something bigger: the growth of grassroots sport and the future of cricket in WA.

As we look ahead to the 2025/26 season, WPCC is committed to enhancing our facilities, expanding our junior development pathways, and establishing a strong foundation for women's cricket at our club. Now is the perfect time to join our journey.

We invite you to become a valued commercial partner and make a real impact— not just on the scoreboard, but in the lives of young athletes, families, and our wider community. I look forward to welcoming you to Burrendah Reserve and to a rewarding partnership in the season ahead.

Together, let's build the future of cricket.

“SPONSORSHIP HAS BENEFITED OUR BUSINESS IMMENSELY”

"The Willetton Premier Cricket Club has been a major part of my life since I can remember. In my formative years it was a 2nd home, and the decision to become a sponsor of the 'Draggs' was a no brainer. WPCC is a fantastic environment for kids & young men to develop their game but to also learn crucial skills and make life long friendships. This was something as a business we wanted to be associated with! The networks available through the existing player group and the past players association is a sponsorship benefit that has assisted our business immensely."
